

# CRYPTOGHOST

## EXPERIENCE

### May 2024- on hold

Community Moderator • CryptoDogs.AI

Actively fostered a welcoming and engaging online environment by addressing user inquiries, moderating discussions, and encouraging participation.

Keeping the community updated about the project milestone.

Enforcing community guidelines to maintain a positive and inclusive atmosphere.

### Oct 2024 – June 2025

Community Manager • Waste4Meal Community

Established and nurtured a strong online presence by fostering an engaged and interactive community on WhatsApp.

Monitored member activity and engagement metrics to assess the impact of initiatives and refine strategies.

Coordinated community events, challenges, and interactive sessions to encourage active participation and learning.

Promoted and facilitated participation in Waste4Meal training programs, empowering members with knowledge and income-generating opportunities.

### Feb 2025 – July 2025

Community Moderator • Sentient

Moderate discussions, respond to member questions, remove spam, block rule-breakers, and ensure the community stays organized and active.

Raider

Worked for projects like Sonny CTO, LeBron on SOL, Chippy on Solana, HALO, EL CHANGUITO \$CHANGO and many more.

Shiller

Worked for TON DINO, Xpad.pro.

I am also a python developer. You can check my X for that.

## OBJECTIVE

Enthusiastic and adaptable community professional with experience as a moderator, community manager, and raider. Skilled in fostering engagement, managing online communities, and executing growth strategies. Seeking opportunities to leverage my expertise in community building and social media management to drive meaningful connections and project success.
